SLATE OF CANDIDATES

Candidate for President- Debi Pakizer

My name is Debi Pakizer, and I have been the Coach/President/Founder of Rogue River Vaulters for six years, however, I have been involved in the sport of Vaulting for 31 years. My daughter and I were introduced to Vaulting in 1988 and joined Valley View Vaulters in Region I. I started my own club, Mountain Springs Vaulters, in 1991 which was active for more than a decade. I was the coach, lunger, and chief bottle washer. Then, after a short break, I started Blind Horse Vaulters until my late husband needed my constant attention. During my 25 years in Region 1, I was the President of the Region for two terms. I worked on numerous committees and competitions. After moving to Southern Oregon in 2013, I immediately realized there was no AVA recognized Vaulting Clubs anywhere near where I live, and within months of my arrival, I started the Rogue River Vaulters.

Although the Region is vast in size, I didn't let it stop my club from becoming a very competitive organization. My club has been able to attend from three to six competitions a year. I have represented Region III by attending the AVA Symposiums, Annual Meetings, and National Championships as well. I have mentored newer Clubs in the region as well as in the AVA, as I believe that a feeling of comradery is essential to the sport's survival. I attempted to create a "newzine" for the region, trying to give the clubs an opportunity to interact and showcase their club's accomplishments. I would like to re-visit that project with more co-operation and enthusiasm.

I believe our Region needs to foster friendships and goodwill among the members. We need to forget about state borders and concentrate on all of the members within the outline of the geographical area as a whole. There need to be open conversations between the coaches, vaulters, and parents without fear or embarrassment. Finally, I hope to build a community of better friendships, volunteerism, and fairness as to the locations of competitions for all members of Region III. With your support, I believe it is possible.

Candidate for Supervisor- Jayne Beebe

I first became acquainted with equestrian vaulting in 2012 when a friend had mentioned she would like to put on a vaulting camp. From there, it was learning more and more about vaulting, learning how to not be dizzy when longeing the horse, and continuing to learn and grow within the sport myself. From 2012 – 2017 we put on a demonstration/program for the Central Washington State Fair, a 10-day event. The past several years we have had a couple of vaulters compete (High Hopes Vaulters) at different levels at various competitions and nationals. I volunteered in the summer of 2017 to be the supervisor for Region III, not having any idea as to what the supervisor role was – just knowing that I wanted to give more to the sport. I have had to step away from the role of longeur due to health reasons, but they continue to practice at my facility and continue to use my horses at times.

I have learned so much this past 1 ½ years, but there is so much more to learn and to be a part of the world of vaulting – whether in one's community, region, nationally and internationally. I believe that I have the ability and the desire to continue for at least one more term. Not being a parent, coach, or longeur provides a positive but neutral look and position for our region.

What I love most about the sport of vaulting is the caring attitude and atmosphere at every competition I have had the opportunity to be at. Whether the vaulter is a tiny tot, walk, or gold vaulter, everyone is supportive and truly wishes each vaulter/horse/team the best. Yes, vaulting is competitive – but nothing like other sports that I have been involved with.

My goal is to help make vaulting more known in our region and would love to create a traveling display. We need more teams in our region – which means more coaches, longeurs, suitable horses, and support from each community.

My background is Psych Nurse Practitioner educated, and I have taught for WSU College of Nursing for the past 14 years. In addition, I have my own equine facility where I do equine assisted learning – and entering my 10th year working with youth with chemical dependency. I also do teambuilding, leadership and communication workshops, and work with foster children and our veterans.

Thank you for considering me for Region III's supervisor for the 2020-2022 term.

Candidate for Supervisor-Christine Anderson

Hello, I'm Christine Anderson, mom to vaulter Zoe Anderson, currently with Redwing Vaulters in Redmond, Washington. My involvement with vaulting began when Zoe first started with Cascade Vaulters in 2009. After several wonderful years with Cascade, Zoe changed teams to join Above and Beyond Vaulters until that teams' closure around 2017; whereupon she joined Redwing Vaulters, with whom she now competes at the Gold level.

Zoe took to vaulting like a fish to water and we instantly became an involved vaulting family. The vaulting shows became our family vacations. For nine years either my husband and/or I attended every competition and virtually every practice. I volunteered at every competition, usually for at least one full day shift; primarily as gate keeper, but also as runner, pooper scooper and music assist. I also had the privilege of being able to continue to support Cascade Vaulters by exercise riding their horse Royal for several years until her recent placement with Harborview Vaulters. As a vaulting parent, I have done everything from cleaning stalls at shows, hand walking horses, riding horses, cleaning water buckets, bathing horses, doing horsie laundry, loading and unloading trailers and helping with show set up and breakdown; in addition to doing hair, makeup and boosting morale.

As Region III Supervisor, I would strive to gather the opinions and culture of our Region to present and represent it at the local and National level. Likewise, I would promptly and effectively communicate the changes and news from the AVA to our Regional members to keep us current and strong.

In my time as a volunteer and vaulting parent in Region III, I have witnessed the change and growth of vaulting in our region. I think Region III is exceptional and has an abundance of involved, supportive and kind parents, coaches and vaulters. I look forward to the continued growth of vaulting in our Region and support the idea that vaulting should have a place for everyone; whether recreational or competitive. I hope vaulting continues to grow in our Region as I think it provides a unique and special perspective to kids, adults and the community. In addition, I would like to work in liaison with the other states in our Region which have not had such a strong vaulting tradition and build relationships with them.

To me, Region III feels like a family and I would be so proud to represent our Region as Supervisor. Thank you!

Candidate for Secretary- Marci Siegal

My background in vaulting includes almost every aspect. I have been coaching since I was 14 on and off, did some lunging throughout the years, was a judge for 4 years, volunteered at and organized competitions for the region when it was smaller. I vaulted for 9 years between the ages of 8 and 17, and won Nationals at the Silver level. I went to vaulting camp in Germany and competed in Sweden. I vaulted at the Gold level and was on numerous National Championship teams throughout the years. I also stepped back into vaulting as a coach and competitor in 2008 and competed on the National Championship Preliminary 2 Phase team when one member had to drop out a few months before Nationals. My passion has always been coaching and helping others. I have been the head coach and/or founder of several clubs, including my current 2nd generation of Flying Star Vaulters.

As Secretary of Region III, I would make sure to get input from the entire region, notify all members of meetings and call in information and try to help everyone feel involved if they desire. As our region grows, I want to make sure we have the greatest involvement possible and that everyone feels included and represented and has access to the information they need. I will also be sure to keep organized files and meeting minutes to be available continually online as the region moves forward.

Region III Annual Meeting
12:30pm -- 6/30/2018
Moses Lake, WA
(Draft) Minutes

1. Reading of the 2017 Minutes – Becky Davie
Motion to Accept as Read by Lori Robison
Second by Penny Maydek – unanimous approval
2. Treasurer Report by Region III Treasurer – Kathy Seelye
Tom Sayles Motion to Accept
Michelle (?) Seconded –Treasurer Report unanimous approval
3. Nominations for Region III Treasurer were asked for by Lori and she presented the only candidate, Tim Colliver. Tim briefly introduced himself and his involvement with Region III. Tom make a motion to confirm him as Treasurer. Becky Davie seconded.
Unanimous approval. Tim Colliver was elected as the Treasurer for Region III AVA for a two year term.
4. Regionals 2019-Discussion about USEF for next year. Considering three venues for the Western Washington rotation year: Donida (one day USEF and one day AVA), Lynden, or Evergreen Fairgrounds for the 3rd or 4th weekend in June 2019 to be determined by availability. Executive board will meet and decide on the venue. USEF must be purchased soon. Regionals will be held somewhere in Oregon in 2020 based on the rotation schedule.
5. Competitions for 2018/2019

Redwing Fall Fest Oct 6-7, 2018, Donida Farms, Auburn, WA
Mozart, Devonwood, Oregon, 3rd weekend in April 2019
Mountain Wind, Spokane, WA, 1st weekend in May 2019
CVI- Memorial Day weekend, Canada
Regionals, TBD
Nationals, TBD
6. Region Supervisor Report – Jayne Beebe
Lori talked about the expenses of travelling as the supervisor and requested that the region assist in those expenses. Discussion about travel requirements. Lori estimated

the cost at about \$500 per meeting, two times a year. Tim made a motion to add a line item to the budget for up to \$1000 per year capped, for regional supervisor travel reimbursement. Gaelle Cimetiere seconded. Motion passed unanimously. This hopefully will encourage more individuals to volunteer for this position if the cost is defrayed.

Jayne reported that the final decision for the venue for Nationals 2019 had not yet been decided. Considering St. Louis, Colorado, and Tennessee.

7. R3 Highpoint Report – Jody Campbell – Spent a little more money this year because more classes were added for these awards including walk classes (\$700). Seems to be crossover between tiny tots and 1st year vaulters.
8. Standardizing barrel classes in Regionals- To future, maybe set age in prize list. Suggested some standardized guidelines be created for the region III barrel classes. Discussion followed. Executive board will consult with Jody on this idea. Crystal Pakizer asked that our class numbers stay consistent. Can look at the national template for ideas.
9. Region III barrel – Debi Pakizer asked if the region III barrel can be upgraded to square versus round handles. Executive Board will need to see if the AVA barrel specs have changed. Show organizers should be encouraged to look at the guidelines to provide compliant barrels.
10. Help for competition announcers- John Eidukus stated as a regular announcer at competitions, it can be difficult to know how to pronounce names. Suggested that in the music submission guidelines, require a sheet with phonetically names for all vaulters within each club. Could be a spreadsheet with phonetic names that is laminated.
11. Webinar for running a competition- Lori Robison mentioned that HVV created a video series on how to organize and run a competition including how to use compweb in three parts:
